

Highest Maintenance Standards

Our entire fleet undergoes rigorous technical inspections and is maintained according to the strictest commercial aviation standards. Every component is monitored to ensure absolute reliability.

Elite Flight Crews

Our pilots are selected among the best in the industry, each possessing thousands of flight hours of experience. They undergo continuous training and simulator sessions to maintain peak performance.

Operational Excellence

From weather monitoring to ground operations, we apply a zero-compromise policy. Every flight plan is double-checked by our dispatch team to ensure a safe and smooth journey above the Balearics.

Prohibited Items on Board

For safety and security reasons, certain items and hazardous materials are strictly prohibited on all our helicopter flights. This includes, but is not limited to, weapons, explosives, flammable liquids, gases, corrosive substances, and certain types of batteries. If you are unsure whether an item is permitted in your baggage or on your person, please contact us prior to your flight for clarification.
